Dear Academic Evaluator:

The individual named on the attached page is applying for an Allegheny Mountain, Air & Waste Management Association scholarship and has asked you to evaluate his/her ability to work, character traits, and potential to be successful.

We request that your letter of recommendation include the length of time you have known the applicant and in what capacity. Your evaluation of the individual and his/her credentials should include, but not be limited to, intellectual ability, initiative, oral and written expression, motivation, emotional maturity, dependability, creativity, flexibility and community contributions. Discuss any particular strengths and weaknesses that the individual possesses.

In addition, please complete the attached sheet. It will provide us with objective guidelines to follow when ranking candidates in different areas. We know that you will appreciate the difficulty of evaluating many excellent applications, and hope that you will provide us with a candid appraisal of this individual.

Kindly return your letter and the form to the student in a sealed envelope.

We greatly appreciate your assistance in helping us become better acquainted with the applicant.

Sincerely,

Meghan Yingling
